Excellence as the standard

In the world of manufacturing sheets, the significance of quality transcends mere construction. It becomes a cornerstone of excellence.

Our craftsmen, guided by the wisdom passed down through the ages, transform these exceptional materials into sheets that embody both artistry and functionality.

Witness a new era of enhanced quality and unparalleled excellence as our printed ACP panels transcend industry norms.

With meticulous attention to detail, we painstakingly curate premium materials, selecting each element to compose a symphony of craftsmanship.

1. Panel Dimensions

Standards	2440 mm X 1220 mm	3050 mm X 1220 mm	3660 mm X 1220 mm
-----------	----------------------	----------------------	----------------------

2. Panel Specifications

Panel Thickness	Aluminium Thickness	Tolerance
3-5 mm	0.15 - 0.25 mm	± 2%

5 Years Warranty

3. Product Tolerance

Width	Length	Thickness		Squareness	Bow
		Coil	Panel		
± 2.0mm	± 4.0 mm	±0.03 mm	±0.2 mm	Maximum 5.0 mm	Maximum 0.8% of width and/or length

- Shades may vary from batch to batch.
- For warranty and related matters, please contact our toll free number: 1800 102 0407
- Only limited number of shades are available in HX 32

Functionality backed by Innovation

Discover the perfect blend of aesthetics and practicality with our interior and exterior grade Aluminium Composite Panels (ACP). HEX Plastics proudly presents our signature ACP range, offering a wide array of shades, thicknesses, and textures, meticulously crafted through rigorous quality control measures.

Let HEX ACPs redefine the art of architectural design. Our panels not only exude timeless elegance but also exhibit exceptional durability, ensuring a structure that withstands the test of time.

Saves Energy

Long Lasting
